

Type and Wealth – How to make your type wealthy

Presenter: Jon Paul Miller. Financial Coach with *All Money Matters*: Former accountant with Deloitte, psychotherapist and management trainer.

Your personality effects.....

- How you earn money
- How you spend money
- How you save money
- How you invest money
- And how you do business

..... (Or does it?)

Come along and try our *financial personality type* questionnaire!

Be introduced to a *board game* that can help develop awareness around aspects of your money personality.

- Develop strategies to use your money personality to your advantage.
- Gain awareness of the strengths and challenges of your money personality.
- Learn what types are likely to retire early.

Q. Who are the individuals with your type that have made it rich, and how did they do it?

Q. Which types should take extra care with a credit card?

Q. Which types are too trusting of investment advisors?

Q. Which types are attracted to get rich quick schemes?

Q. How do different types (especially couples) decide to buy a house?

We will look at the 4 temperaments, Jung's 8 Functions and the Myers Briggs 16 types in relation to money.
