Enhancing relationships through Temperament

Catalyst™

Stabiliser™

L I F E - L O V E - L U S T

Theorist™

Improviser™

*Thursday, 19th of August 2010
Brisbane, 7pm - 9pm*

registerQLD@ausapt.org.au

*“...gain fascinating insight into
nature’s codes for desire and attachment”*

*“...know Temperament in a way to lead a
richer & fuller relationship – in and out of bed.”*

Peter Kieseker

brings a generalist approach to Type having studied and worked in international aid, education, health, the military and training and consultancy.
He believes in a fusion approach to Temperament study using knowledge from the many variations that study the four core personalities of humankind.
