## Contributions

We welcome articles on personality type and related topics. Word lengths are negotiable. If you'd like to contribute, contact the Editor, Philip L Kerr, at [AusTypeReview@aol.com](mailto:AusTypeReview@aol.com), or after hours on 07 3300 3164.

We prefer articles in plain English, active voice and first person. We use Australian language and style, based on the *Macquarie Dictionary* and Australian Government *Style Manual*. We reserve the right to edit articles for mechanical accuracy and clarity. In-text citations are not required, but include a list of your references.
